

RAINE&HORNE JUMPING CASTLE DISCLAIMER

Please note that all persons using this Jumping Castle do so at their own risk.

Raine & Horne does not provide liability insurance for the protection of individuals, groups, organizations, businesses, spectators, or others who may participate in the use of the Jumping Castle. In consideration for your participation in using the Jumping Castle, the individual, group, organization, business, spectator, or other, does hereby release and forever discharge Raine & Horne and its officers, board, and employees, jointly and severally from any and all actions, causes of actions, claims and demands for, upon or by reason of any damage, loss or injury, which hereafter may be sustained by participating in the use of the Jumping Castle. This release extends and applies to, and also covers and includes, all unknown, unforeseen, unanticipated and unsuspected injuries, damages, loss and liability and the consequences thereof, as well as those now disclosed and known to exist. The provisions of any state, federal, local or territorial law or state providing substance that releases shall not extend to claims, demands, injuries, or damages which are known or unsuspected to exist at this time, to the person executing such release, are hereby expressly waived.

I hereby agree on behalf of my heirs, executors, administrators, and assigns, to indemnify Raine & Horne and its officers, board and employees, joint and severally from any and all actions, causes of actions, claims and demands for, upon or by reason of any damage, loss or injury, which hereafter may be sustained by participating in the use of the Jumping Castle. It is further understood and agreed that said participation in the use of the Jumping Castle is not to be construed as an admission of any liability and acceptance of assumption of responsibility by Raine & Horne, its officers, board, and employees, jointly and severally, for all damages and expenses for which Raine & Horne, its officers, board and employees, become liable as a result of any alleged act of the participant.

The person/s or organization using this Inflatable equipment will be responsible/liable for any damage or injury occurring from or as a result of misuse or reckless use.

These guidelines are for the safety of all people using this equipment, and it is the sole responsibility of the borrower to ensure they are fully adhered to at all times.

Raine & Horne cannot accept any responsibility for any injury caused to anyone using this equipment.

I have read the above agreement and fully understand and accept the conditions as above. I am aware that whilst in my care I am fully responsible for the inflatable and will pay for any loss or damage that may occur, this will include the inflatable being returned in an unacceptable condition, i.e: If it is in a dirty or muddy condition, I will be expected to pay a cleaning charge.

Please see the attached Terms and Conditions of Use

I am aware that whilst in my care I am fully responsible for the inflatable and will pay for any loss or damage that may occur, this will include the inflatable being returned in an unacceptable condition, i.e: If it is in a dirty or muddy condition, I will be expected to pay a cleaning charge. I have collected the inflatable in a clean and working order and confirm that it will be returned in the same condition.

We'd love to see the castle all set up and with the kids having fun on it, feel free to send through a photo if you get a chance to avoca@rhcoastal.com or to 0410 630 222.

Terms and Conditions of Use of Jumping Castle

Please ensure that the following Safety Instructions are followed:

1. This unit has an age limit of 10 years. Please ensure no-one over this age uses the equipment.
2. No adults are to use this Jumping Castle.
3. No food or drinks or chewing gum to be allowed on or near the Jumping Castle which will avoid choking and mess.
4. All shoes, glasses, jewellery, badges MUST be removed before using the Jumping Castle.
5. No face paints, party poppers, coloured streamers or silly string to be used either on or near the Jumping Castle.
6. No smoking or barbeques near the Jumping Castle.
7. Climbing, hanging or sitting on walls is DANGEROUS and must not be allowed.
8. A responsible Adult must supervise the Jumping Castle at all times.
9. Always ensure that the Jumping Castle is not overcrowded, and limit numbers according to the age and size of Children using it. Try to avoid large and small Children from using it at the same time.
10. Please ensure that Children are not pushing, colliding, fighting or behaving in a manner likely to injure or cause distress to others.
11. No pets, toys or sharp instruments.
12. If the Jumping Castle is not being used for any part of the day, please switch the blower off at the mains.
13. Do not allow anyone to bounce on the front safety step as a Child could easily bounce off the inflatable and get hurt. The step is there to assist users in getting on or off!
14. Ensure that no-one with a history of back or neck problems is allowed on the Jumping Castle as indeed any Child who is feeling unwell.
15. Do not allow anyone to be on the Jumping Castle during inflation or deflation as this is DANGEROUS.

Sign:

16. Ensure that an area of 6 feet (2 metres) around the unit is completely clear.
17. The Jumping Castle should not be used if it becomes wet on the jumping area. If no shower cover is fitted and in the event of rain, the unit should not be used.
18. In the event of heavy rain, it is strongly recommended that the Jumping Castle be switched off. Any wetness, including bubbling (which is normal) can be dried with a towel.
19. In the event that the blower stops working, please ensure all users get off the inflatable immediately.
The blower has a safety reset button, try pressing this, also check the fuses and make sure the blower tube or deflation tube has not come undone or something has not blown onto and is obstructing the blower. In the event that it overheats, or loses power, switch the blower off at the mains, then switch it back on again 1 or 2 minutes later, and it should restart. If it does not, inform us straight away.
