Dear Rebecca & Nicholas,

I would like to thank you both for an outstanding result achieved on my property. Both your professionalism, hard work, dedication, commitment and constant communication/feedback throughout the marketing campaign was impressive.

I was always kept up to date and informed from start to finish.

Having achieving \$325,000 over reserve and setting a record result for Glebe was truly amazing. I believe this was achieved by Rebecca & Nicholas' relentless work ethic, hard work and positive attitude they both have.

I look forward to selling my next property with them soon and highly recommend them.

Yours sincerely
Karen H Lam
