Dear Rebecca,

We would very much like to express our appreciation for the work you have done in the extremely successful sales campaign - as planned & executed. We came to Raine & Horne Commercial for this sale as we were very impressed with the careful attention & sound advise we received in the past.

It is clear to us you have been uncompromising in the time & precision you have been prepared to apply - in both satisfying requests for viewings & providing/processing requests for further information.

There were a number of complexities to our sale & your timely attention to critical issues was pivotal to the end result.

We have no hesitation in recommending your services to others contemplating a property sale.

Regards,

Terence Hancox & Jennifer Yang
