Hi Rebecca

"We chose Raine & Horne Commercial as we felt they would be the best people to sell our shop in Glebe.

We weren't disappointed. At all times we felt very comfortable that the best efforts were been put into getting the property to the market. Their work is 100% professional and with the time and effort that Rebecca put into selling the property buyers were at the auction and the property ended up going way beyond the reserve. Rebecca was exceptional. Her persistence, hard work, friendly manner and patience was flawless and all throughout the campaign was very diligent and thorough she always kept us up to date with buyer feedback.

I would recommend her to anyone wanting to sell their commercial property.

"Thank you again Rebecca and the team at Raine&Horne for a great result."

Regards
Debbie
