After 20 years in our property at Marrickville, it was difficult and emotional to put it up for sale.

Our decision to go with Luke from Raine & Horne Commercial South Sydney/Marrickville proved to be a great choice.

They were very professional in their approach, yet showed that element of personal service needed to make us feel comfortable.

The outcome of the auction was beyond our expectations, all due to their hard work and commitment.

Thank you to all the team at Raine & Horne Commercial South Sydney/Marrickville.
