Hi Laura

“Luke Smith made selling my warehouse easy. Having originally bought the property through him, I knew he would be attentive and would make every effort to answer any questions I had about the sale.

From the day it was listed, I had a steady stream of interested buyers view the property.

The auction itself went smoothly, with Luke acting as an arbitrator for the final stages of bidding.

I received the price I wanted for my warehouse, with Luke taking much of the stress out of the process. I would recommend him to anyone buying or selling commercial property in the Inner West.”

Regards

Shona
