## GEORGIA BROWN

This picture-perfect Victorian terrace is a wonderful representation of life in Newtown.

Past the picket fence and through the red front door, ornate archways and high ceilings lead you all the way down the main hallway.

The main bedroom is at the front of the house, with two other bedrooms alongside.

Two of the bedrooms have original fireplaces and one has a built-in wardrobe.

The bedrooms, along with the rest of the house, are light filled with white walls, creating a fresh and airy ambience.

Further through, the bathroom has been updated and has a combined bathtub and shower.

The living room has picture rails and ornate ceilings.

Double french doors open onto the side deck that leads to the courtyard.

The open-plan kitchen and dining room is at the very back of the house.

Large windows allow natural light to fill the space.

The kitchen has stone benchtops, a freestanding oven with gas cooktop, ample cupboard space and a dishwasher.

It overlooks the dining area, making it the perfect space for entertaining.

Outside, there is a stylish stone terrace and rear lane access to its lockup parking.

The home features beautiful timber floorboards throughout.

Situated on a quiet, tree-lined street just minutes from Macdonaldtown train station and Eveleigh farmer's markets, this renovated terrace is the ideal inner-city family home.
